The proposal was twice rejected by Govt. Most of the grounds now urged were also urged in the previous recommendations. The ground which may be said to be new are that the officials have no opportunities to supplement their income by private practice, and that the promotions are recommended as a reward for good work done and as an incentive for good work in future.

3 Both the Municipal Council & the Dt. Board agree to bear the expense. No point for consideration whether the recommendation has to be sanctioned or rejected, or whether a personal allowance of Rs 5/- to each may be sanctioned, as in the case of Hakim and Compounder

Adverting to correspondence ending with your letter No.787b/Med.68-13-4 dated the 14th February 1914 communi-cating the orders of Government declining to reconsider their orders conveyed in your letter No.b348/med.68-13-2 dated the 12th November 1913 to the effect that Government did not see sufficient grounds to sanction, as recommended by the Municipal Council, increases of pay to the Junior Hakim and the Assistant Pandit of the Indigenous Hospital at Mysore, I have the honour to request that you may be so good as to place the matter once again before the Government for kind reconsideration of the orders already passed for the following reasons:-

(1) The Municipal Council made the recommendation for --- increase after mature consideration and the District Board of the Mysore District approved of the same.

(2) The recommendation was made solely in the interests of the institution with a view to secure good and efficient work from its officials.

(3) Both the officials for whom increments have been --- recommended, have been working very satisfactorily, the

the Junior Hakim for the last 7 years and the Assistant Pandit for the last 9 years. Both these have had no promotion whatever during the above periods.

(4) The promotions are recommended as a reward for good work in the past as well as an incentive for good work in future. Without such recognition, discontent among the officials leading to indifferent work, is sure to result.

(5) These officials have no such opportunities to supplement their small incomes by private practice as Sub Assistant Surgeons have, and are depending solely on their pay.
